

Activity Sheet

Males, Females and Occupations

National Apprenticeship Service

Part 2 – Gender Roles and Pay – Individual Activity

Look at the list of occupations below and decide if they are mostly a female role or a male role by ticking an **F** or **M** in the Gender Column. Then in the Level of Pay Column, indicate whether you think the job is low paid (**L**), average pay (**A**), or highly paid (**H**).

Occupation	Gender		Level of Pay			Apprenticeship Route available
	M	F	L	A	H

Manager						✓
Cabin Crew						✓

Stage 2 – Discussion

- Look at the male/female divide on your list. Which gender dominates the higher paid jobs?
- Compare your list to other members of the class, are they similar?
- What do you think could be the reasons behind your answers?
